

(120 capsules)

Product Insight

FiberSlend contains high-viscosity glucomannan (LuraLean™), which is an exceptionally high fiber ingredient obtained from the Amorphophallus Propol plant. It promotes a feeling of fullness resulting in reduced hunger. It may also act as a dietary fat magnet, attracting and binding excess oils and calories from foods and gently carrying them out of the system through the normal digestion process.

Key Benefits

- Helps control hunger to help reduce excess eating.
- Contains the extremely high fiber ingredient, LuraLean.
- May help reduce cholesterol levels by helping eliminate excess dietary fat from meals.
- Aids in relieving constipation in a gentle, more natural way.

Key Ingredients

High-Viscosity Glucomannan (LuraLean): Helps promote a feeling of satiety causing individuals to eat less. Helps attract and bind excess fat and calories, carrying them out of the system through normal digestion. May help support regularity by promoting efficient transit through the digestive and excretion systems.

Green Tea Leaf Extract: Assists in weight loss, fights free radicals, and may help lower cholesterol.

Cinnamon Twig Extract: Used in traditional Chinese herbal medicine to provide a tonifying effect for the bowels and as an aid in circulation.

Summary

FiberSlend is the perfect partner in weight loss efforts. Taking FiberSlend before each meal may help in the battle against overeating by promoting a feeling of satiety, making you feel fuller more quickly and for longer, which can help you eat less and lose weight.*

* When taken as directed and combined with a diet low in saturated fat and cholesterol.

Facts and Usage

Supplement Facts

Serving size: 2 capsules Servings per container: 60

	Amount Per Serving	% Daily Value
Calories	0	
Total Carbohydrate	1 g	<1%*
Dietary Fiber	1 g	4%*
High-viscosity glucomannan (LuraLean™)	1,000 mg	†
Proprietary blend: Green tea leaf, cinnamon twig and galangal root extracts	100 mg*	†

† Daily value not established.

* Percent values are based on 2,000 calorie diet.

Other Ingredients: Gelatin (capsule shell), cellulose, magnesium stearate and silica.

Suggested Usage: Take two capsules with at least 8 fl oz of water (or clear beverage) shortly before each meal. Alternately, you may mix the contents of two capsules with 8 fl oz of water (or beverage) and drink. For best results increase water consumption throughout the day.
